- Arnold & Porter is a recognized life sciences legal powerhouse for creative and integrated solutions to your global business challenges. We provide comprehensive and sophisticated services for pharmaceutical and biotechnology companies — including 28 of the top 30 — across transactional, litigation, intellectual property, regulatory, and privacy and data protection matters. Learn more at arnoldporter.com.

These meetings provide an opportunity to connect directly with Arnold & Porter attorneys to discuss your specific interests, explore potential collaborations, and gain practical legal and industry perspectives in a private setting. Whether you are seeking strategic guidance, regulatory perspectives, or partnership support, we welcome the opportunity to speak with you.

Please also stop by the Arnold & Porter booth for additional information about our life sciences practice, our attorneys, and the one-on-one meeting opportunities available during the conference.

We look forward to connecting with you at the conference.
